COUNTDOWN

10-9-8-7-6-5-4-3-2-1 Blast off! Living in an age where the emphasis is on outer space, this is a familiar phrase to us. The successful launching of a rocket, however, requires the hard work and devotion of many people.

During our own "countdown," our four years at Hasbrouck Heights High School, we have found that we, too, must work hard to have a successful launching. The devotion of our parents and the interest of our teachers have insured our success and future happiness in exploring the world.

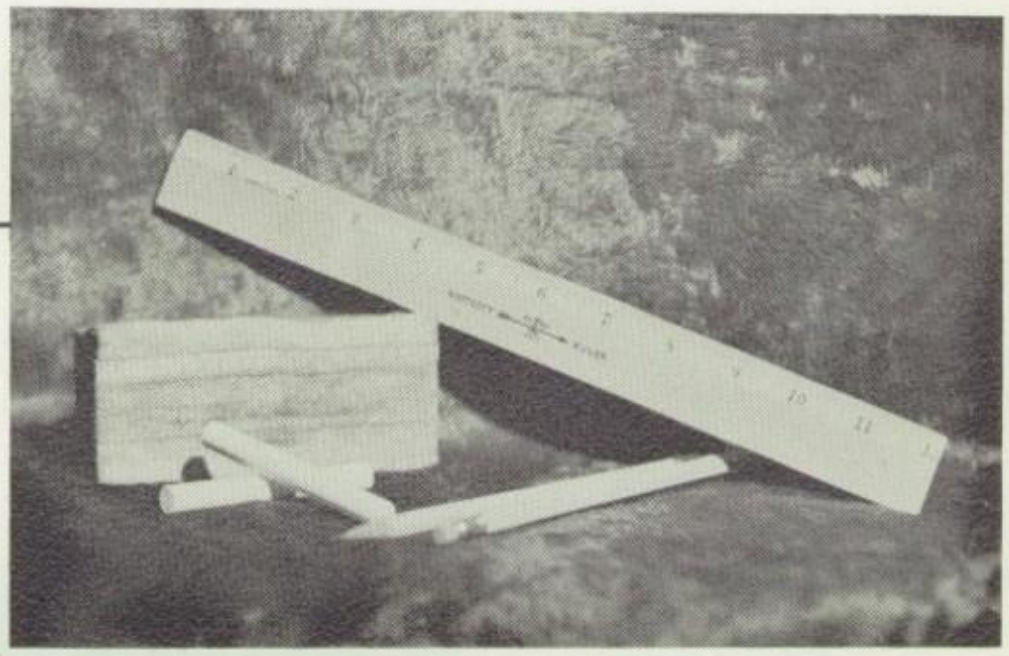
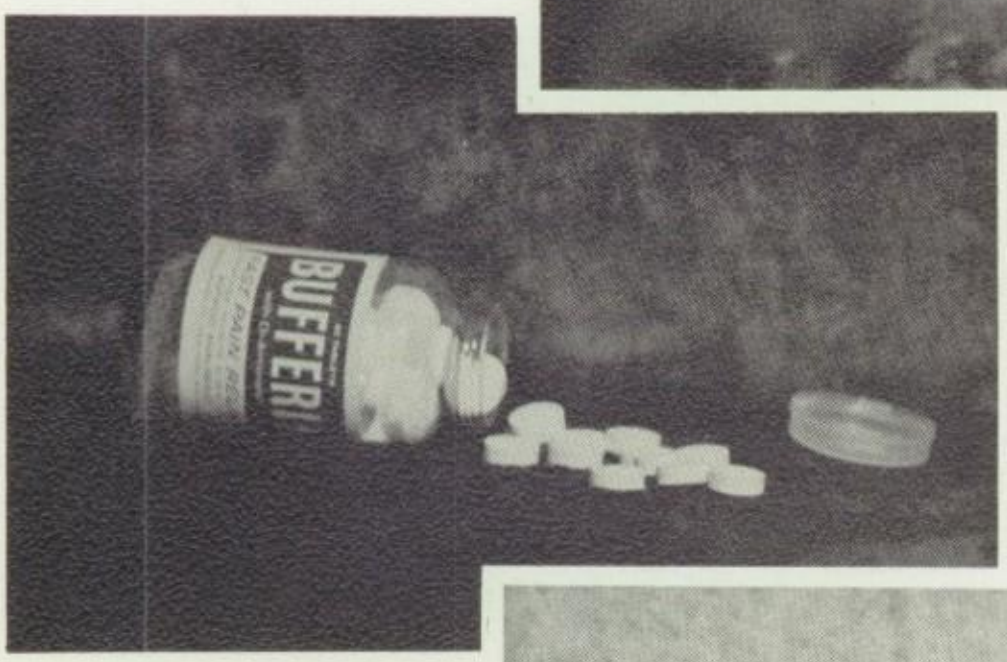
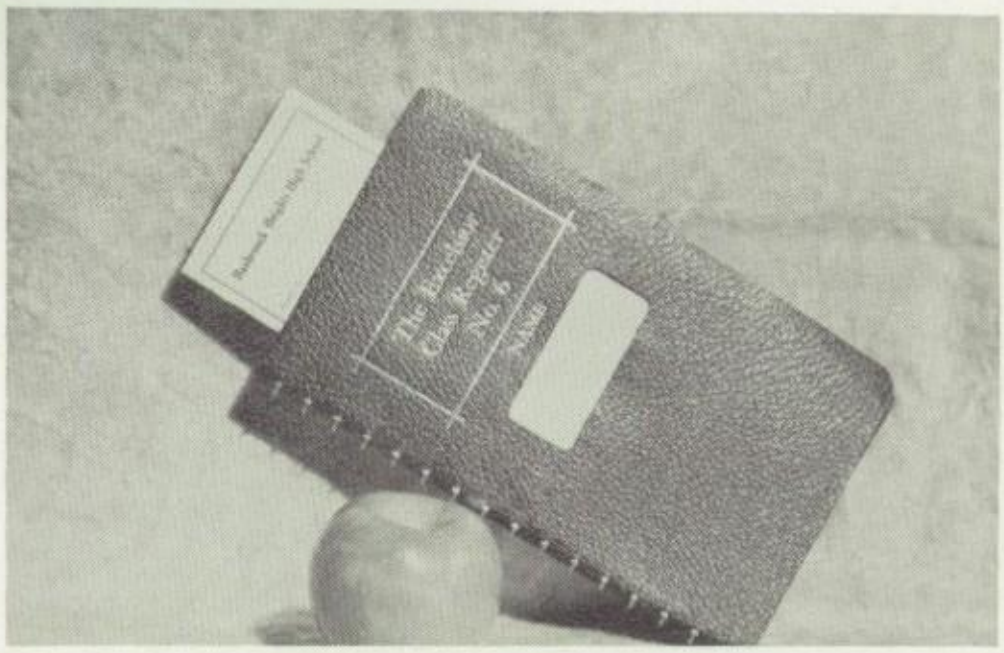
ACKNOWLEDGEMENTS

The class of 1963 wishes to express its heartfelt thanks to the persons who have helped in the writing of our yearbook. Special thanks is due to Miss Catherine McCabe for her advice and help as our adviser. We would like to thank the other senior advisers, Mr. Paul, Miss Hennings, Mrs. Manners, and Mrs. Freeman, our financial adviser. We would also like to thank Dr. Mary E. S. Mohair for her cooperation; Miss Obernesser for her help to our secretaries; Mr. Antonelli for his help with the art work; to the Rae Publishing Company —to Mr. Bathmann and Mr. Rae; to the Lorstan-Thomas Studios, the staff of photographers and especially Miss Shirley.

We should also like to say "Thank You!" to the people of our town who have helped make this yearbook possible by their cooperation in our fund-raising activities.







FACULTY

BOARD OF EDUCATION

SEATED, left to right: Mrs. Miriam Hochheiser, Mr. Joseph Weaver, vice-president; Mr. Robert A. Searle, president; Mrs. Grace Peters; Mr. Clinton A. Howell. STANDING: Mr. Howard Krausser, Mr. Leonard J. Wisse, Mr. Frank X. Birkner, Dr. Anthony R. Mancari.

LEFT TO RIGHT: Mr. Walter A. Jacobs, secretary to the Board of Education; Mr. Alfred Kiefer, attorney to the Board of Education.

LEFT TO RIGHT: Mr. Krausser, Mr. Birkner, Mr. Howell.

Nine citizens of Hasbrouck Heights have been chosen by the electorate to manage the educational system in our town. The members of the board dedicate twenty-four hours a day to achieving the goals of American education.

The Board of Education studies the problems that confront our school system. The members pass resolutions and recommendations that will satisfy the needs of the students and teachers. The members are currently studying the problem of an expanded library. In the past they have solved other problems in order to make our school system one of the best in the county. The members of the Class of '63 extend their gratitude to the Board of Education for making our years in school more productive and enjoyable.

DR. JAMES BERNARD

Superintendent of Schools

Hartwick College, Columbia University, Sorbonne University
A.B., A.M., Ed.D.

Since his arrival in Hasbrouck Heights in 1957, Dr. Bernard has become a sincere friend of each student and an enthusiastic supporter of school activities. He is interested not only in our formal education, but also in our personal development —appearance and attitude.

By the example of his own actions, Dr. Bernard has shown us that we must develop high moral and educational standards to gain both self-respect and the respect of others.

The students of Hasbrouck Heights High School, particularly the Class of 1963, are grateful to Dr. Bernard for the time and effort he has spent to improve both our school and us.

DR. MARY E. S. MOHAIR

High School Principal

Barnard College, Columbia University. A.B., A.M., Ed.D.

By supporting and encouraging class activities and by developing in each of us a sense of responsibility, Dr. Mohair has successfully guided us through high school. She has strongly impressed upon us that we must do our best in everything we attempt, both in and out of school. Because of her efforts, we will be better prepared to face, and to solve, the many problems of life.

The Class of 1963 is particularly grateful to Dr. Mohair for the time and energy she has devoted to our endeavors. Because of her personal interest in each one of us, we feel that we have gained a valuable friend in Dr. Mohair.

IN APPRECIATION

DR. FALLOT

After twenty-three years service as head school nurse, Dr. Lily B. Fallot retired this year.

While in high school, Dr. Fallot became interested in medicine when she was inspired by her two aunts who were nurses.

After studying nursing at Englewood Hospital, Dr. Fallot took chiropractic training at New York College. She also attended Seton Hall, Newark State College, Rutgers University, Fairleigh Dickinson University, and Montclair State College.

When Dr. Fallot came to this town in 1940, she was appointed Child Hygiene Nurse. She was responsible for the health of the students and faculty in the school system. She taught first aid to high school boys and home nursing and child care to the girls.

Dr. Fallot is a registered Red Cross nurse who is qualified for disaster work and blood bank work. She is also active in the Civil Defense Nurses Corps in Little Falls.

In honor of her many years of dedicated service, Dr. Fallot was feted by the faculty at an informal reception at the high school.

Miss Stahl teaches Latin. During the first year of Latin, the stress is on grammar and short translations. In Latin II, the students read Julius Caesar's works and study more grammar and translations. The writings of other famous Latin authors are studied in Latin III.

Translations and grammar are the first items taught by Miss Rechnic in German. Later studies include geography, short stories, biographies, and anecdotes. Those wishing to further their knowledge of German can take German III.

Miss McCabe teaches Spanish I and provides the students with background material for Mr. Whitcomb's courses. Mr. Whitcomb, who is head of the language department, teaches Spanish II, III, and IV. In his classes the students read short stories, Cerveante's *Don Quixote*, plays, and other selected readings.

Both Miss McCabe and Miss Rechnic teach French I. This course covers conversations, grammar, composition, and short translations. In French II, Miss Rechnic stresses more grammar and has her students translate French history books. Miss Rechnic also teaches French III and French IV.

The English department, under the direction of Miss Hennings, works to develop in the students a deeper understanding of the English language and its literature. Through a curriculum revision two years ago, college preparatory students now have seven periods of English a week, instead of the previous five. The two additional periods are devoted to composition which will be helpful to the students in college.

In his dramatics classes Mr. Lang, who also teaches English II, presents a well-rounded background in literature and a complete study of playwrights from early Greek writers to modern authors.

Mr. Porcelli, an English teacher and the *Pilot* advisor, also provides an excellent course in journalism.

Assurance, poise, and perfect diction in public speaking are stressed in Oral English by Mrs. Bartlett, who is also a junior and senior English teacher.

Other members of the department are Mr. King, who teaches sophomore English; Miss Meyer, junior English; and Mr. Mezejewski, freshman English.

Mrs. Bartlett checks a composition with C. Schvetz, while J. Osol gets a group reaction to his purple prose. FOREGROUND AND CLOCKWISE: R. Horowitz, S. Garmansky, S. Barnes, L. Gates, M. Godowski, J. Carroll, C. Berns, J. Baron.

The science department, of which Mr. Kmetz is the chairman, offers us classes in general science, biology, chemistry, physics, and, for the first time, advanced work in both biology and chemistry.

Dr. Montgomery and Mr. Schaupp teach general science which is open to any freshman.

These beginners learn some basic ideas from each major division of science through experiments, demonstration, reading and discussion.

Mr. Mamchur and Mr. Kmetz, teach biology, "the study of life." All sophomores and freshmen who have done exceptionally well in elementary school science classes may elect this subject.

Juniors and advanced sophomores may elect chemistry, taught by Dr. Montgomery or Mr. Bishop.

Juniors who satisfactorily completed biology, chemistry and physics this year could elect advanced biology or advanced chemistry. These pupils have been doing college work. This year, they took the advanced placement tests in May.

In still another revision, Mr. Marchesi is teaching both physics and second-year algebra in a combined program. The program has been devised so that it will provide the student with content and meaningful experiences resulting from advances made in the fields of both physics and mathematics. Class work and laboratory investigations will stimulate scientific curiosity and develop the necessary techniques for successful investigations in all physical sciences. The program is meant to develop such incentives that the student will continue independent work in mathematics and physics after high school.

SOCIAL STUDIES DEPARTMENT

Headed by Mr. Fedele, the history department helps us to trace the path of history from prehistoric time to today's complicated world. United States history I and II are taught by Mr. Fedele and Mr. Paul. United States history I follows the progress of America from colonial times to modern-day events. United States history II deals with the problems of a democratic society and an understanding of our principles.

Mr. Barakat teaches modern European history from the fall of Rome to World War II. Mr. Clarke teaches world history and United States history I. The courses in world history help us to better understand our own history.

Now this is the main idea. Mr. Paul and his fourth period History II class. FIRST ROW, left to right: C. Gurrisi, F. Gunther, L. McLean, J. Matthews. BACKGROUND: J. Montemarano, B. Werner, K. Merkel, G. Sharp, M. Ress.

Our mathematics program of studies is varied so that each student can develop his mathematical skills to their fullest. Mr. Kalina teaches Mathematics I and II, Mr. Loughlin teaches Algebra I and II and Mr. Erhard teaches geometry. In the third year several of the advanced students take a combined course of Algebra II and trigonometry, taught by Mr. Marchese; this program is correlated with a science course. These students take college math in their senior year with Mr. Howell, who also teaches geometry.

The teaching of mathematics is changing radically from kindergarten through college, probably changing more radically than at any time since Columbus' day. In tact, our math teachers are attending after-school classes to keep abreast of the latest developments.

As a part of Office Practice this year, the girls were required to work in various town offices for three weeks during the fall semester. They worked under the supervision of an adult and performed office routines such as typing, dictation, filing and answering phones. Miss Obernesser is in charge of this new project.

The business department offers courses in typing, bookkeeping, office practice, stenography, general business training, business arithmetic, and law and economic geography. Mr. Godowski heads the department and the other teachers are Mrs. Phillips, Mrs. Freeman, and Miss Obernesser.

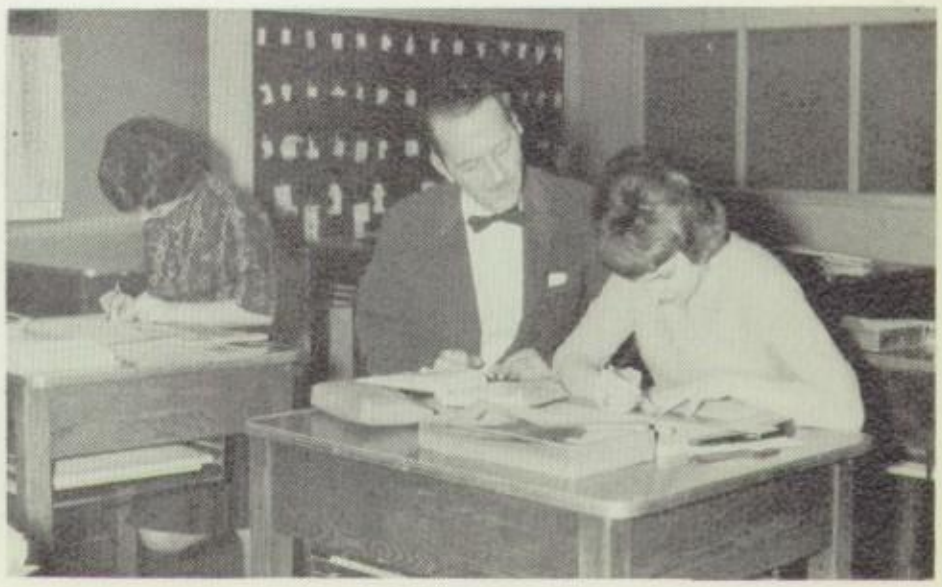
Under the direction of Mr. Lewis students may major in industrial arts or take it as an elective. The boys learn to work with tools and machinery and make varied articles, such as bowls and benches. This course helps prepare boys for many useful jobs in the fields of carpentry and metallurgy. Mr. Masucci also teaches this course.

MECHANICAL DRAWING

For the first time in many years there is a girls' mechanical drawing class. Mr. Lewis teaches this class of seven girls. They follow a course similar to that of the boys. This course can have practical applications for the future of these girls since many industries employ women in their drafting departments.

Mr. Lewis also teaches a course in mechanical drawing in which the boys learn drafting, making blueprints, and diagramming.

LEFT TO RIGHT: J. Cuttita, R. Warner, F. Paxton. *Discussing another drawing problem.*



LEFT TO RIGHT: K. Lukacsy, Mr. Lewis, V. Fallat. *A skill that is much in demand, Mechanical Drawing.*

FINE ARTS

Art is finally, an individual thing. D. Braun in foreground, Mr. Antonelli and class in back of her.

Mr. Antonelli teaches art. In order to gain an understanding and appreciation of art, his students develop their own ideas and also study the history of art. Perhaps the students may find their purpose in life in terms of what art can do for them. Art is not only emotional but also an intellectual experience. There is always a need for beauty.

Using such media as paints, metal, clay, stone and marble, the students have produced some fine work. Many of their projects are exhibited on the hall bulletin boards.

HOME ECONOMICS

"Add a little more salt" . . . "Baste the seams" . . . "Press the material on the wrong side" are just a few common home economics expressions. With Mrs. Manners as teacher, the class studies the fields of food and nutrition, child care and development, the home and its furnishings, personal development and family relations, and personal and family finance.

In December, all senior girls taking Home Economics took the Betty Crocker Homemaker of Tomorrow test. Helen MacWay was the winner.

This year there is a home economics class composed exclusively of boys! On October 30, they entertained the entire faculty at a luncheon. The luncheon given on January 17 by the boys was for men teachers only.

The entire department entertained the faculty at a Christmas open house on December 20.

On April 25 the girls in the sewing classes presented a fashion show for the PTA. The girls modeled clothes they made. Helen MacWay was general chairman.

HEALTH EDUCATION

Both Miss Walthers and Mr. Depken teach health to the freshmen. This course stresses the need for personal cleanliness. In addition, these classes study human anatomy.

Mrs. Gascoyne teaches home nursing to the sophomore girls. The students learn the fundamentals of caring for the sick. Childcare is part of this course that teaches the girls how to care for the new-born. By teaching bedmaking, feeding and care of sick patients, Mrs. Gascoyne hope sthat these experiences will prove valuable in later life.

Our whole gym program is also part of our health education. We need training for our physical welfare as well as instruction in academic subjects.

LEFT TO RIGHT: V. Avery, C. Tedesco, J. Montemarano, S. Dykstra, L. McLean. *We're ten points ahead!*

DRIVER TRAINING

LEFT TO RIGHT: R. Zahlmann, D. Vecchio, J. Alloway, J. Stombellini, Mr. Bishop, J. Alloway, A. Stombellini, R. Werling. *You need to know the rules, too!*

Many students have learned the fundamentals of driving in our driver education course, and are grateful to Mr. Bishop for his fine teaching, patience, and nerves of steel.

A student must have reached the age of sixteen years and six months before he may sign up for this class—that is why most of us wait so ardently just this once for a half-year anniversary.

LIBRARY

Even with a busy schedule, there's always time to read.
C. Majoros and J. Greenberg.

Mr. Raphael has re-organized the library for the students' convenience. He orders new books and magazines, repairs worn books, and directs the Library Council. His informative classes for freshmen have trained them to use efficiently the facilities of the library. Because of Mr. Raphael's efforts, many more students are able to use our library to their own best advantage.

GUIDANCE

Because guidance plays such an important role in our lives, we are glad to know that there is always a capable counselor available to direct us to the right road. With our expanded staff of Mr. Kreitman, Miss Walthers and Mr. Kmetz, we are sure that every possible effort is being made to help us plan our future in college, technical school, or direct employment. The counselors sometimes help us with the problems of our personal lives, too.

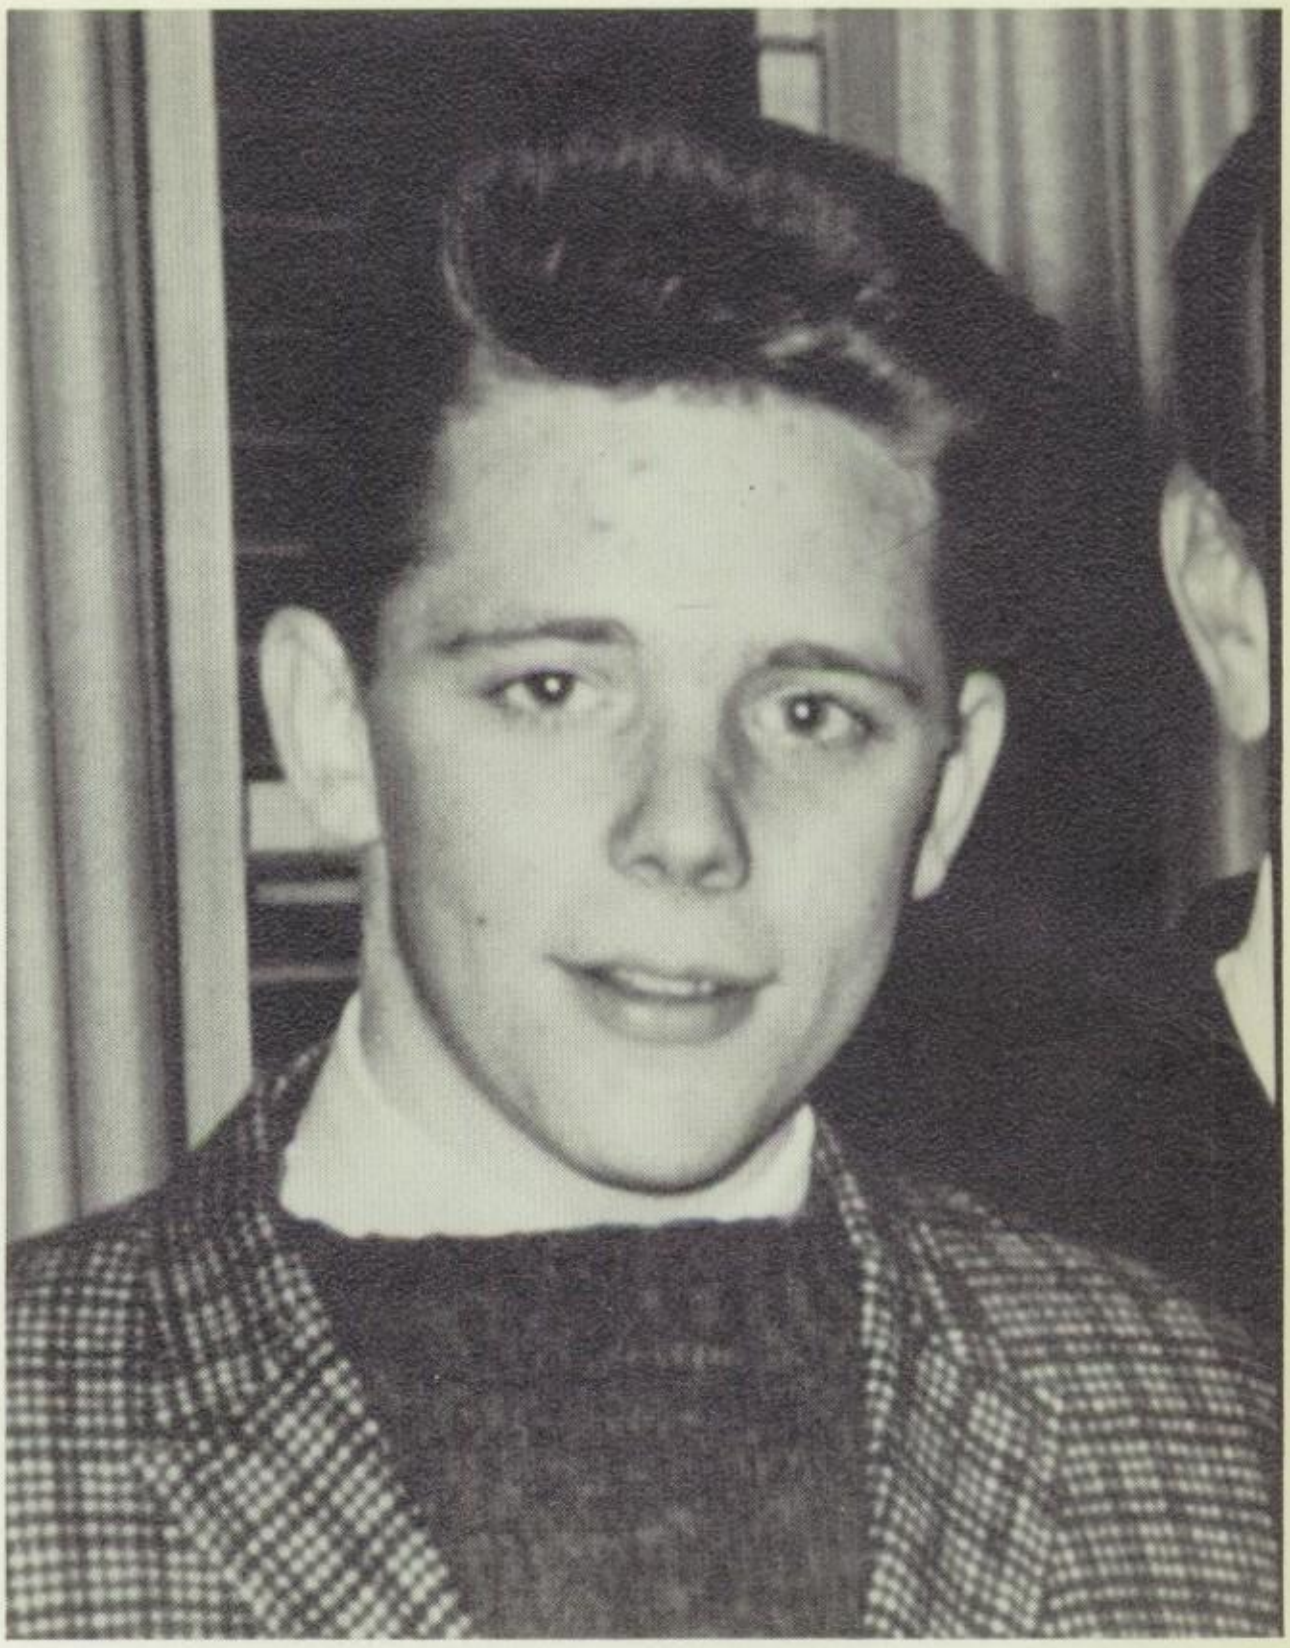
In Fond Memory



FREDERICK HUGH WALTER

It is difficult to explain in words how we felt on April 15, 1962, the day we learned that our beloved classmate "Ricky" Walter had died. That day some of us lost our best friend.

Rick was born in Hackensack Hospital in August of 1945 and lived all his life in Hasbrouck Heights. He was graduated from Euclid Grammar School and Franklin Junior High.

In high school, Rick was active in both the extra curricular program and in church affairs, especially in football, track, and the Methodist Youth Fellowship. He was a member of the local Boy Scout troop and enjoyed camping, hiking, and swimming a great deal.

Ricky enjoyed many things in life: "rock 'n' roll," folk music, pizzas, and all the other wonderful teenage "fads" that you enjoy. Rick was planning to go to college to prepare for a career in teaching.

It made many of us wonder why God had taken away a boy who was so greatly loved by all who knew him. Although his life on earth was short, we can be sure he accomplished the task God had set for him. Surely, the life of one who was so loved by family, friends, and teachers must have served some purpose. Perhaps that purpose was to enrich the lives of all those who were privileged to know Ricky.

Many of you underclassmen may never have had the opportunity to meet Rick, but if you think of your classmates or friends and how deeply saddened you would be to lose any of them, you would know how each of us felt when Rick passed away.

Memories remain and we remember our absent friend.

ACTIVITIES

STUDENT

FIRST ROW, left to right: L. Conway, typing; J. Baron, senior teaching; L. Dabinett, typing; M. Godowski, elections; L. Gates, orientation; L. Kortum, publicity; Mr. Kmetz, adviser. SECOND ROW: B. Aitken, elections co-chairman; V. Fallat, talent assembly; C. Hansen, talent assembly; C. Schvetz, co-chairman.

An annual project of the Student Council is Youth Week. In March the student body elects officers to the various town and school offices. During Youth Week April 28-May 3, the elected students serve as officers in our town government and school offices. On Senior Teaching Day, sixty-six seniors will teach classes for one day. There is also a Youth Talent Assembly during the week. This year's Youth Week chairmen are Catherine Schvetz and Robert Searson.

Marge Godowski, Lois Dabinett, Jeff Baron, Lois Kortum, Linda Gates, Arlene Sarapa, Bruce Aitken, Catherin Schvetz, and Valerie Fallat are chairmen of other committees.

FIRST ROW, left to right: J. Montemarano, secretary to Board of Education; T. Sodora, director of nurses; L. Dabinett, Borough Council; E. Caddoo, Borough Council; J. Carroll, Board of Education; B. Hansen, J. Galante. FOURTH ROW: K. Kandel, F. DiPiazza, M. Burgess, J. Casella, B. Merritt, J. Lagattuta, C. Roth, K. Lukacsy, C. Schvetz, F. Zilian. FIFTH ROW: A. Clancey, J. Greenberg, A. Mentes, T. Klein, C. Perrotti.

The Student Council is the student governing body of our school. Each home room selects two members, usually a boy and a girl, to serve on the council. All students participate in the election of council officers.

The Student Council acts as a liaison between the students and the faculty. It studies complaints and suggestions brought up by the students and presents those it thinks worthy of consideration to the faculty.

The special event this year was the Student Council Courtesy campaign. During the week of December 3, speakers and posters reminded us to be courteous at all times.

The officers are: President, Bruce Aitken; Vice-President, Lillian Conway; Secretary, Marge Godowski; and Treasurer, Arlene Sarapa. Mr. Kmetz is adviser.

LEFT TO RIGHT: B. Aitken, president; L. Conway, vice-president; A. Sarapa, treasurer; M. Godowski, secretary.

ART CLUB

FIRST ROW, left to right: D. Cullen, M. Nieradka, J. Gehrig, J. Van Kleunen, N. Cutillo, P. O'Hea, K. Luciano, E. Baker, L. Parven, Mr.Antonelli. SECOND ROW: J. Vrablik, L. LaBarba, M. Farhat, S. Brassart, D. Braun, S. Hughes, M. Caccamese, K. DiLeo, W. Stokem. THIRD ROW: J. Baron, A. Greco, B. Reiser, J. Mirandy, L. Zukowski, L. Kiel, V. Fallat, C. Caruso, M. Stassi, V. Gernert. FOURTH ROW: R. Kulakowski, J. Schneider, K. Linden, D. Baker, E. MacHugh, J. Lagattuta, C. Fila, P. Linzalone.

Art Club members planned two field trips this year that were extremely interesting. They attended the Fine Arts Festival at Fairleigh Dickinson University.

On their annual New York trip they visited several smaller museums—the Whiting Museum, the Museum of Contemporary Crafts and the Museum of Primitive Art. They also browsed in American House and the Design Center for Interiors. A special part of the day was their visit to the Anniversary Armory Show, where they saw examples of the works that introduced modern art to America in 1913.

Many of the members participated in art shows, with almost everyone providing work for the annual Outdoor Show on Saturday, May 25. Prizes will be awarded then by judges who are professionally experienced.

Nick Cutillo won a special honor this year. He has been accepted at Syracuse University in an art program. Participation is limited to only eighty-two pupils from the entire country.

The club officers this year have been: N. Cutillo, president; P. O'Hea, vice-president; K. Luciano, secretary; J. Van Kleunen, treasurer.

"Look what they're doing to my electric sander." LEFT TO RIGHT: J. Schneider, J. Baron, R. Kulakowski, V. Fallat.

DRAMATICS CLUB

FIRST ROW, left to right: J. DiMaio, R. Horan, M. Burgess, C. Duciewicz, C. Perrotti, J. Carroll, L. Patrick, J. Knapp, P. Sharp. SECOND ROW: V. Stassi, M. Caccamese, E. Ciaralli, L. Steinbauer, E. Caddoo, R. Marsala, E. Raes, J. Atwood, J. Krankowski, J. Ganly. THIRD ROW: J. Greenberg, V. Gernert, C. McAlevey, P. Lepanto, W. Stokem, N. Christen, J. Vrablik, H. Wen, S. Beiro, K. Trimble.

Under the fine supervision of Mr. Lang, the members of the Dramatics Club widen their interest in the theater arts by presenting plays and viewing the latest Broadway shows. In addition to all this, the club has always succeeded in having a dance and an annual banquet, which usually terminates the year's fun and entertainment.

This year, six members gave a play reading of *Wurzel-Flummery* for the sixty-sixth anniversary of the P.T.A.

The officers have visited the art exhibition at Fairleigh Dickinson University. They are: Carmel Perrotti, president; Carol Duciewiwz, vice president; Marilyn Burgess, secretary; and Janice Carroll, treasurer.

LEFT TO RIGHT: R. Graf, M. Burgess, J. Greenberg, J. Carroll, W. Stokem, J. Knapp. *Ready for their PTA performance.*

BAND

IN FRONT OF GROUP: M. Pasquini. FIRST ROW, left to right: F. Beuttler, J. Semenecz, M. Saccomano, C. Profit, J. Montemarano, P. Shaw, C. Schvetz. SECOND ROW: Mr. Thomson, J. Meyer, B. Mentes, J. Vrablik, A. Gilbert, D. Hughes, M. MacKenzie, A. New, J. Burchill, J. Semenecz. THIRD ROW: M. Bonanno, A. Fournier, D. Moore, J. Bonanno, W. Stokem, J. Paxton, G. True, C. Langer, P. Buckley, L. Dubiel. FOURTH ROW: R. Davison, J. Cassella, R. D'Ambrosio, J. Ganly, R. Pasquini, M. Ress, C. Obssuth, D. Baker, L. Zukawski. FIFTH ROW: C. Fila, E. Siraki, R. Mancari, L. Singleton, B. Gustafson, R. Ruymen, H. Zoref, C. Marchese, C. Wilcox. SIXTH ROW: M. Taylor, S. Rand, N. Christen, M. Dotzauer, S. Weiner, J. Fiduccia, R. Lecesne, R. Warner. SEVENTH ROW: M. Burgess, C. Duciewicz, H. Bond, E. MacHugh, B. Costa.

The band, under the direction of Mr. William Thomson, is a very important organization. By attending all pep rallies and football games, it boosts up school spirit.

During football season the band has a very busy schedule. Rehearsals are held six or seven times a week during school and three times a week after school.

The band also participates in concerts and festivals. On December 6, at the Teaneck Armory, the band's routine was entitled "To the Rear." On April 6, the band held its own concert, which was enthusiastically attended by the students, faculty, and townspeople. The feature number of the program was "West Side Story." This year's band must truly be commended on its excellent performances.

Marcella Ress is President.

This year a group of enthusiastic band members formed a Dance Band. With Mr. William Thomson as adviser, the Dance Band played at the Band Assembly and Band Concert.

CHOIR AND CHORUS

THE CHOIR

FIRST ROW, left to right: D. Hughes, M. Hansen, H. Greenberg, E. Caddoo, J. Montemarano, W. Stoken, Miss Borski. SECOND ROW: D. Boyd, V. Fallat, J. Kiel, N. Christen, C. Tedesco, P. O'Hea, N. The Choir, which is made up of a group of select chorus members, has had more participation this year than ever before. At their meetings, which were usually scheduled for Mondays, Wednesdays and Fridays after school, the members learned songs for several different occasions.

Our Chorus, a larger group, draws its membership from students taking vocal music. This group met every Friday after school and through their combined efforts did a magnificent job singing at the Garden State Plaza, several assemblies, and the Spring Concert.

At this year's concert the chorus sang "Moon River", "Dry Bones", and "One World" while the Choir sang "In the Still of the Night", "Ave Verum", and "The Lord's Prayer". Certainly we have achieved a great deal this year with the fine assistance of Miss Borski, choral director.

The purpose of this club is to help the student better understand the language he is studying through a cultural program. The minutes are read in both French and English.

The club has fund raising projects for a scholarship that is presented to a student who will continue to major in French or German. The scholarship is given when there is an eligible student.

The Mardi Gras, one of the social highlights of the year, is the club's most important activity. A queen is elected every year. This year's queen is Eileen Raes. Constance Tedesco was this year's chairman.

The officers of the club are Richard Jaeger, president; Gregory Schiro, vice-president; Eleanor Ciaralli, secretary; and Joseph Bonanno, treasurer. Miss Rechnic is the club adviser.

HISTORY CLUB

FIRST ROW, left to right: M. Yorke, B. Ziff, A. Healey, C. Sellman, M. Pasquini, C. McAlevey, H. Greenberg, C. Perrotti, J. Knapp, Mr. Fedele. SECOND ROW: P. Lepanto, J. Semenecz, N. Christen, L. To instill an interest in history in their fellow-members, the officers of the History Club have planned discussions on current and past affairs of the world, reports on a variety of topics, and field trips suitable to the material under study. One of these trips was to a showing of the movie, "The Longest Day", which related the story of D-Day, June 6, 1944, the invasion of Normandy.

Mr. Fedele is adviser to the club, whose officers are MaryAnn Pasquin, president; Carol McAlevey, vice president; Carole Sellman, secretary; and Helaine Greenberg, treasurer.

HI-Y

The Hi-Y is an organization associated with the Y.M.C.A. This service club has an expanding membership.

The purposes of the club include a volunteer service for all necessary errands in the school, such as taking films to the Post Office. The club is also sponsoring a Red Cross drive. The members also watch films and discuss the future of the members and the club.

The basketball team of the Hi-Y played three games with the Hi-Y's from near-by towns.

The Holiday Hills trip added to the activities of the club. On this trip the boys ice-skated and skied.

The officers of the club are: Jack Maloof, president; Peter Sapios, vice-president; Peter Esposito, secretary; William Easter, treasurer. Mr. Mamchur is the club adviser.

KEY CLUB

The Key Club, with Dr. James Montgomery as its adviser, is a noteworthy service club. It works in co-ordination with the Kiwanis Club which sponsors the Key Club. The Kiwanis members receive help with their fund-raising projects such as the Pancake Festival and the Kiwanis Scholarship which will be given for the first time this year to a needy senior.

All sophomore, junior, and senior boys are eligible for membership. Several attended the state convention which was held in Atlantic City on April 5 and 6. At the convention the members elected state officers and county officers and listened to worthwhile lectures on government. In addition, the officers and senior members are usually invited to attend the regular Kiwanis Club meetings.

Besides these activities the club busies itself with raising money for its various activities by selling stationery, Christmas wrapping paper and sponsoring the annual Key Club dance. All of these were extremely successful this year.

The officers are: Robert Giaimo, president; Richard Jaeger, first vice-president; Robert Searson, second vice-president; Alan Farber, secretary; Joseph Greenberg, treasurer.

"Sing the Latin Club song" and "Here, Slave, carry my books" are familiar expressions heard after the Latin Club slave auction as upperclassmen revel in the power they have over the lowly freshmen whose services they have acquired in lively and competitive bidding.

The Latin Club celebrates Christmas with an informal party. Members exchange gifts and put on a program. The entertainment ranges from Latin skits to silly forfeits, such as lapping milk from a bowl, just as in the Roman celebration of the Saturnalia.

Another club custom is an annual Roman banquet. This year the banquet was held on May 11, with Carol McAlevy as general chairman. Since the theme was the Metamorphoses of Ovid, each member and guest had to come dressed as a character in Ovid's poems. At the banquet, the slaves gained their freedom and new officers were inducted.

With Miss Marguerite Stahl as the adviser, this year's officers are: Robert Barrows, president; Marcella Ress, vice-president; Ellen Caddoo, secretary; and Catherine Schetz, treasurer.

To become a member of the Lettermen's Club, a boy must first earn a letter by playing in a specific number of quarters or innings.

The club furnishes all Hasbrouck Heights jackets worn by our athletes. A boy receives his jacket after participating in a sport for two years and earning a letter. The style of the jacket is selected b ythe club members.

The club also gives each graduating member a gold or silver charm for the sport in which he has participated.

Adviser to the club is Mr. Depken. The officers are: Bob Barrows, president; Bruce Aitken, vice-president; Charles Cuttaia, secretary; Doug Horan, treasurer.

LIBRARY COUNCIL

LEFT TO RIGHT: M. Violante, M. Giove and P. Shaw. *Helping with the clerical work that is so essential in a library.*

The Library Council performs many duties to keep the library in good operating condition. Members shelve books, slip books, and catalog books. They work with the students in selecting material for reports. In addition, they recommend books they have read to Mr. Raphael, who is then able to choose interesting reading material for the library. The council, supervised by Mr. Raphael, is composed of members in all four years of school.

The officers are: Joan Tirella, president; Pam Shaw, vice-president; and Cheryl McGowan, secretary-treasurer.

MATH CLUB

This year the ever-growing Math Club consists of about forty members, mostly juniors and sophomores under the supervision of Mr. Erhard. Using Irving Adler's *The New Mathematics* the club explores the newer and more interesting dimensions of mathematics. Next year the club plans to further its study with *The Mathematics Student Journal*.

The main purpose of this club is to enable students to develop their public speaking abilities and interest through debating, poetry rounds, discussion, student congresses, and dramatic or oratorical interpretation. For each of these activities a student receives points. After he has accumulated a total of twenty-five points, he becomes a member of the club and receives a Degree of Merit. As the member continues in the various activities, he earns more points. After earning seventy-five points, he receives a Degree of Honor; one hundred fifty points, a Degree of Excellence; and for two hundred fifty points, the Degree of Distinction, the highest award.

Besides earning the degrees, a member may win additional awards at various contests and tournaments. The District Tournament is the most important one in our area. The winners continue in tournaments on a national scale from this tournament.

This year, Jack Maloof placed first in the high school group of the American Legion Oratorical Contest. He placed third in the county contest. The subject of this contest is the Constitution of the United States.

Poetry rounds at Hasbrouck Heights High School were a high point in this club's activities.

The debating this year is under the direction of Mr. King. The teams have entered tournaments at Dwight Morrow High School.

The officers of the club are: Beatrice Nodyne, president; Ralph Horowitz, vice-president; Marilyn Burgess, secretary; and Georgianna Sharp, treasurer. Mrs. Bartlett is the adviser.

FIRST ROW, left to right: M. Godowski, B. Aitken, R. Jaeger, G. Schiro. SECOND ROW: V. Dragon, D. Horan, M. Fisher, J. Montemarano, C. Schvetz, C. Hochheiser.

This honorary high school organization, with chapters in many schools throughout the nation, has leadership, service, character, and scholarship for the principles of the club. The ten senior members of this club have aspired to follow these principles.

Ably led by Mrs. Bartlett, the faculty adviser, the club raises money through the daily sales of the *New York Times* for a scholarship, which is presented to one of the members.

The supervisor of this activity is Catherine Schvetz. Although the club has been hindered by the longest newspaper strike in history, the members still plan to give the scholarship.

On April 24, the club had an induction ceremony for the new senior and junior members. Held in the gym, the ceremony was impressive and suspenseful as each new member's name was called. Victor Dragon, Cathy Schvetz, Douglas Horan, and Bruce Aitken made speeches explaining the four principles on which the club is built. The club then held a reception for the members and their parents. Also taking part in this activity were Dr. Mary E. S. Mohair and Dr. James Bernard.

The officers of the club are Richard Jaeger, president; Bruce Aitken, vice-president; Margaret Godowski, secretary; and Gregory Schiro, treasurer.

Two years ago, a small group of enthusiastic students organized the Pep Club to stimulate school spirit and to arouse interest in school athletic activities. This year the club, under the direction of Mr. Barakat, has grown in membership from approximately ten members to about ninety members. There are no officers since there is no need for them. There are, however, chairmen of the four committees into which the club is divided. These committees make the pep posters for football, basketball, baseball, and track season.

The club members chose as their mascot an imaginary character named Argus, who is representative of our school spirit. This little blond boy has appeared on pep posters in the halls and at all of the football games and pep rallies. He has "mashed the Mites," "caged the Cardinals," and "lashed the Lions."

Through the creation of Argus and enthusiastic participation at our sports events, the club has helped Hasbrouck Heights High School to reach great "heights" in school spirit.

R. Kulakowski, circulation manager, looks satisfied with the current issue of the Pilot as J. Schneider and D. Martin scramble for D. Covington's last copy.

The *Pilot* is our school paper. The staff members collect and print reports on school doings, announce coming activities, and provide a means for expression by the students. The *Pilot* is published monthly, and approximately 350 copies are sold each printing. With the February edition the *Pilot* changed from Bodoni print to a combination of Admiral and Italics print.

The *Pilot* was responsible for inviting Lieutenant Howard Van Hauten, Special Officer in Charge of Youth Problems, from our local police department, to speak before the Student Council; for originating the courtesy campaign; for featuring the college career program and for making a survey of extra-curricular activities. Two interesting articles in recent editions were: "Children Respect Parents in Oriental Households", as told to Barbara Ziff, which was a story about Harrie Wen's life in the Orient and "Male Chefs World's Best," by David Shaeffer, an article about the boys' home economics class and the group's accomplishments.

The *Pilot* has the third largest enrollment in extracurricular activities. Because the *Pilot* is a member of the Columbia Scholastic Press Association and the Quill & Scroll International Honorary Society for High School Journalists, we are very proud of our school paper and the achievements of the staff. The Quill & Scroll, which is an international honor society for high school journalists, was started in Hasbrouck Heights High School last year.

A student is eligible if he is either a junior or senior, ranks in the upper one-third of his class, has shown superior work in journalism or school publications. In addition, each member must be recommended by the adviser of his publication and approved by the executive secretary of the society.

This year's formal induction in April honored Jeffrey Baron, Marjorie Fisher, Linda Gates, Irene Kost, Mariann Aurich, Josephine DiMaio, Catherine Garofalo, Pamela Nelson, Catherine Schvetz and Harriet Wen. Bob Giaimo, Betty Costa and David Shaeffer received certificates for outstanding work as non-members and Dr. Mohair and Miss McCabe as honorary members. The officers were: Cathy Berns, president; Judy Montemarano, vice-president; Bob Kulakowski, secretary-treasurer; Mr. Porcelli is adviser.

ROD AND GUN

The Rod and Gun Club offers membership to any boy interested in hunting or fishing. The members of the club go on hunting and fishing trips to test their luck and skill. This year the club made a fishing trip to Greenwood Lake.

The officers of the club are Ralph Horowitz, president; Russell Gross, vice-president; Charles Gurrisi, secretary; and Robert Newman, treasurer. Mr. Clarke is the faculty adviser.

The Tri-Hi-Y, under the direction of Mrs. Phillips, is a service organization affiliated with the Bergen County YMCA. Composed of junior and senior girls, the club meets bi-weekly.

This year the members have made pep tags for football and basketball games, have provided a Thanksgiving basket for a needy family, and a Christmas gift for an elderly woman, and have collected for town drives.

To raise money, a dance and a cake sale were held. As a change of pace, many of the girls spent a February weekend at Holiday Hills.

On February 2, 1963, Mary Ann Pasquini and Meryll Hansen attended the County Co-Ed Conference at Paramus High School. Following a school talk by Reverend J. Dexheimer of Hillsdale, the group split into bug sessions to rehash the main points of the talk. The day ended with a supper and a dance, making it an informative and enjoyable occasion.

Installed at the induction ceremony in November were: Meryll Hansen, president; Arlene Sarapa, vice-president; Kathy Dieck, chaplain; Mary Ann Pasquini, recording secretary; Helaine Greenberg, treasurer; Harriet Wen, corresponding secretary; and Linda Gates and Pam Nelson, historians.

But we couldn't put something like that on a pep tag! LEFT TO RIGHT: M. Pasquini, music for induction; B. Costa, pep-tag chairman; K. Dieck, usherette at P.T.A.; T. Sodora, pep-tag committee; M. Hansen, president; L. Gates, dance committee; I. Kost, induction ceremony chairman.

The halls of H.H.H.S. will long echo the praises of the football team of the '62 football season. Under the very able direction of head coach Mr. Fedele and assistant coaches Mr. Barakat and Mr. Masucci, this group of spirited and talented players combined team effort and individual skill to formulate a record of 8 and 1. The team became Group 2, Division 1, football state champions.

Many of the players earned places on the All-League team, All-County team, and All-State football teams. Bob Leckie made first team in the State All-Stars; third team in the Newark News Group 2 All-State, Bergen County All-Stars; and honorable mention in the Metropolitan All-Stars. James Ciccarelli qualified for first string Newark News Group 2 All-State, Bergen County All-Stars, B.C.S.L. All-Stars; and honorable mention Bergen-Passaic All-Stars. Frank Rinaldi made first team B.C.S.L. Ali- Stars; second team Bergen County All-Stars; Newark News Group 2 All-State; and honorable mention Bergen-Passaic All-Stars and Metropolitan All-Stars. Carl Hocchheiser was selected for second string for B.C.-S.L. All-Stars, and honorable mention Bergen County All-Stars and Metropolitan All-Stars. Doug Horan, Bob Graf and John Buonomo all made second string B.C.S.L. All-Stars and honorable mention Bergen County All-Stars.

Mr. Fedele was awarded the Bergen County Football Coach of 1962. The record can be traced to fine playing on the part of the team, and enthusiastic and solid support from the student body.

The J.V. team accumulated a record of 3-4. Coached by Mr. Barakat and Mr. Masucci, many of these boys will be valuable assets to the varsity team next year.

With Mr. Mezejewski the freshman team was second in their league with a record of 6 wins and 1 defeat. These players showed great enthusiasm for the sport.

The junior varsity, under the direction of Mr. Barakat, enjoyed a record of 7 and 7. Many of these players will be valuable assets to next year's varsity team.

Mr. Godowski coached the freshman team. They also gained experience that will help in coming seasons.

Through the efforts of Mr. Barakat the faculty basketball team played three games this year. One of the games was with the "Good Guys" from WMCA. A dance followed this well-attended game. The team raised money for the state champs' jackets for the football team. The members of the team were: Mr. Barakat, Mr. Mamchur, Mr. Fedele, Mr. Masucci, Mr. Schaupp, Mr. Pevny, Mr. Bates, Mr. De Larenzo, and Mr. Smith.

This season was the first competitive year in cross country. The record was three wins and five losses. The record was impressive for the first year. The co-captains were Russell Gross and Robert Searson. The prospects for next year's team are good because three of the members of the team will be returning.

BOWLING

Many boys in our school enjoy bowling. This year the Bergen County Scholastic League, by including it for the first time in its schedules of competitive team sports, has both recognized and stimulated their interest. The boys on the team met once a week for practice and competed in spring tournaments as well as in their season matches. The members of the team were Jeff Draesel, Richard Jaeger, Bruce Aitken, Tim Urbanek, Phil Stroh and Bob Soel. The adviser was Mr. Depken.

LEFT TO RIGHT: R. Jaeger, P. Stroh, Mr. Depken, coach; R. Soel, J. Draesel, T. Urbanek.

Maloof, F. Lambiase, T. Urbanek, B. Aitken, G. DePalma. FOURTH ROW: K. Epstein, C. Perotti, J. Van Dam, F. Sayers, P. Jerauld, S. Barnes.

As the Coronian goes to ress, the baseball season has begun. In the first game right-handed senior Bruce Aitken pitched a perfect game. Because no member of the Wood-Ridge team reached first base, the Heights team won 7-0.

Coach Depken expects a good season with J. Cicarrelli, R. Price, C. Garresi, J. Van Dam, F. Sayers, B. Aitken, and W. Easter as members.

FIRST ROW, left to right: W. Kruger, J. Bollette, Mr. Romano, R. Thomasey, W. Terwilliger. SECOND ROW: C. Cunningham, J. Spero, J. Somsky, J. Bedishian. THIRD ROW: J. Molnar, F. Lambiase, A. Clancey, D. Zilian, J. Maloof.

FIRST ROW, left to right: W. Strange, J. Semenecz, R. Vergona. SECOND ROW: D. Behrens, G. Fetzner, R. Wright, M. Saccomano.

At press time our track squad had listed three wins and four losses. We defeated Bogota, Ridgefield Park and Dumont.

Bob Graf did the 100-yard dash in 10.4; Tom O'Rourke the 880-yard run in 2:05, and Bob Zahlmann the mile in 4:52. Bob Newman's mark for the broad jump was 19'-10½", and Art Maihack was measured at 5'10" for the high jump. In other events, Bob Barrows had registered 51'1½" in the shot put and threw the discus for 138'1¾".

Since the majority of this year's team members were seniors, next year will be a rebuilding period. We shall need a lot of support from this season's sophomores and freshmen.

KNEELING, left to right: R. Mancari, P. De Luca, C. Willcox, J. Baron, T. Sullivan, B. Gustafson, R. Wildermann. STANDING: Mr. Mamchur, K. Hansen, C. Roth, J. Iannucci, R. Osol, R. Ruymen, R. Polcari, R. Horowitz, T. Van Dam.

The tennis team, under the fine supervision of Mr. Mamchur, is a new addition to the sports curriculum. It is through these classes that all interested boys receive the basic training necessary for excellent performance in any match. Playing three teams, the squad had six games which were played on our own courts. With many experienced members, the tennis team is looking toward a very successful season.

ATHLETIC ASSOCIATION

LEFT TO RIGHT: B. Aitken, president; Mr. Depken, adviser; J. Van Dam, vice-president. ABSENT: H. Greenberg, treasurer; N. Gellrich, secretary.

The main purpose of the Athletic Association is to sponsor the athletic activities which are part of the school's athletic program. This club also sponsors two annual award assemblies where the participants in football, basketball, baseball, track, cross country, cheerleading, and bowling receive their numerals, letters and photographs.

When a member pays the club's dues of 50c, he is entitled to attend both home and away athletic events at reduced prices.

Running the interscholastic sports program for boys is one of the functions of the A.A. The officers also sell A.A. cards to the students. Any student who purchases a card becomes a member of the Athletic Association.

Working in cooperation with the seniors on the concession, the Association splits the profits with the senior class.

Mr. Depken is the adviser, with Bruce Aitken as president, John Van Dam as vice- president, and Helaine Greenberg as secretary-treasurer.

GIRLS' ATHLETIC COUNCIL

To join the G.A.C., a girl must earn 150 points by playing basketball or volleyball or by bowling after school. The members of the G.A.C. set up policies for the intramural program and distribute shields and letters for points gained.

The club officers are: Fern Soom, president; Margie Fellows, vice-president; Linda Pattermann, secretary-treasurer. Miss Walthers is the adviser.

FIRST ROW, left to right: C. McGowan, M. Ress, R. Radley, L. Patterman, B. Mentes. SECOND ROW: F. Soom, B. Nodyne, M. Fellows, D. Baker.

COLOR GUARD

LEFT TO RIGHT: M. Burgess, C. Duciewicz, H. Bond, E. MacHugh, B. Costa.

These "uniform marchers" are led by Marilyn Burgess, captain. Bearing the colors at football games, the band concert and at the Festival of Bands at Teaneck Armory, the girls are a squad to be proud of.

Other Color Guard members include Holly Bond, Carol Duciewicz, Betty Costa, and Eileen MacHugh.

BATON TWIRLERS

These precision twirlers are led by Judy Montemarano, captain. Although they make most of their appearances during football season, they also take part in the Teaneck Armory Festival of Bands and in the Band Concert.

This year the Majorettes competed in the sixteenth annual Ramsey Twirling Contest on March 23. Squads from ten Bergen County high schools competed. Lois Zukawski, a sophomore band member whose hobby is twirling, placed first in the solos.

In addition to Judy, the members are Catherine Schvetz, Pamela Shaw, Arlene New, Janet Burchill, Judy Semenecz, Linda Dubiel, and Patricia Buckley.

M. Pasquini

KNEELING, left to right: P. Buckley, J. Burchill, A. New, J. Semenecz, L. Dubiel. STANDING: C. Schvetz, J. Montemarano, P. Shaw.

VARSITY CHEERLEADERS

LEFT TO RIGHT: M. Corpina, T. Sodora, J. Tirella, K. Lukacsy, H. Greenberg, C. Hank, L. McLean, P. Sharp, M. Hansen, L. Fitzgerald.

A real inspiration to our championship football team and to our basketball team, as well as the entire student body, were our ten peppy cheerleaders: Cheryl Hank, captain; Helaine Greenberg, co-captain; Meryll Hansen, Toni Sodora, Linda McLean, Lorraine Fitzgerald, Mary Corpina, Peggy Sharp, Kathy Lukacsy, and Joan Tirella.

These spirited girls, under the direction of Miss Obernesser, their adviser, performed their cheers at the pep rallies, helped to raise money for football jackets, sold megaphones, sweat shirts, and "pep pins", and held a dance. They took part in two tournaments: the Bergen County Scholastic League Tournament at Westwood, sponsored by the Westwood Cheerleaders for members of the B.C.S.L., and the North Arlington Eighth Annual Cheering Competition sponsored by the North Arlington Cheerleaders, who do not participate. The cheerleaders are judged on their uniform, precision of cheers, voices, originality of cheers, and facial expressions.

Above all, through their constant enthusiasm and endless efforts, they helped to arouse the wonderful spirit the student body of our high school showed this year.

J. V. CHEERLEADERS

The J.V. Cheerleaders, a group of spirited girls are: D. Hagopian, M. Colonari, C. Majoros, L. Savio, L. Patrick, R. Reardon, P. Vadine, R. Brinkerhoff, and M. Zahn. This lively group led the cheers at all the J.V. basketball games. Mrs. Vaughn is the girls' adviser.

PRONE, left to right: R. Brinkerhoff, M. Zahn. STANDJNG: P. Vadine, M. Colaneri, R. Reardon, D. Hagopian, K. Majoros, L. Patrick, L. Savio.

FIRST ROW, lett to right: C. Cuttaia, J. Osol, R. DiBella, J. Greenberg, R. Giaimo, P. James, C. Majoros, M. Vetri, C. Gurrisi. SECOND ROW: A. Maihack, C. Berquist, R. Newman, R. Searson, R. Werling, R. Hendricks, J. Giaimo.

M. Baker sits in serene detachment as our rooters cheer and R. Mancari, R. Ruymen, D. Hughes, G. True, N. Christen, B. Mentes, S. Van Wieren tootle and blow.

. . . other kinds of extracurricular learning—the Coronian, for instance . . .

. . . knowing other people . . .

. . . knowing ourselves . . .

. . . in fact, preparation and experience for college, jobs, family—all our lives to come. The map in Miss Walther's office shows the next step for many of us.
